This book on how to stop being lazy contains proven steps and strategies for you to easily understand the reasons behind your laziness and procrastination and to begin at once to increase your motivation, productivity, self control and much more! I don't have to tell you that your life can suffer from laziness, I'm sure you are aware of that, but I do think people often look over how much damage this laziness and procrastination is actually causing in their lives. If laziness is pretty common in your life then you will most likely suffer from weight gain, lack of career success, lack of self confidence and depression, and more. The ripple affect can really cause problems throughout your entire life and make it even harder to dig out each time you succumb to the temptation of procrastination. I wrote this book to help you quickly and easily dig out of this pit of laziness and begin at once to...
